

## NetDragon Launches New Expansion Pack “Legend Returns” for Conquer Online

[11 May 2010, Hong Kong] **NetDragon Websoft Inc.** (“NetDragon”, with its subsidiaries collectively the “Group”; Stock Code: 777), a leading online game developer and operator in China, announced the official open beta launch for the brand-new Chinese expansion pack, “Legend Returns”, for its flagship game Conquer Online.

Following the successful launch of four previous EPs, “Legend Returns”, the fifth Chinese EP for Conquer Online integrates ten innovations in terms of content. For example, the new arena, together with the BOSS and faction war systems, makes Conquer Online's battling scenes more spectacular. The improved second profession system complements and balances the game's profession portfolios. Meanwhile, the game updates routine quests, as well as new achievements and benefits systems, delivering a much more perfect game to players.

Conquer Online, available in multiple language versions, has received an enthusiastic response from players all around the world. The new Chinese expansion pack provides optimized gameplay and balance to meet the needs of players, delivering enhanced playability. It is expected to attract an increasing number of new players, while enhancing the interest of existing players.
