## NetDragon Launches Open Beta Testing for 'Tian Yuan'

[HONG KONG, July 28] **NetDragon Websoft Inc.** ("NetDragon"; Stock Code: 777), a leading online game developer and innovator in China, announced that the large-scale fantasy 2.5D MMORPG 'Tian Yuan' entered open beta testing on July 27th.

Created by the team which made the classic 'Eudemon's Online', 'Tian Yuan' is set against a backdrop of ancient oriental legends, and offers a uniquely imaginative worldview. 'Tian Yuan' introduces innovative game play, such as aerial combat on mounts and reincarnation through challenging quests. Over-500 large-scale quests build up a rich storyline, liberating players from repetitious leveling up, allowing them to fully experience the game's appeal. And NetDragon's use of 3D real-time operation technology unveils breathtaking visual effects, which should provide players with a scintillating visual experience.
