NetDragon Releases a New EP “Edge of Night” for Its Flagship Game Eudemons Online

[29 April, 2011, Hong Kong] **NetDragon Websoft Inc.** ("NetDragon", Stock Code: 777), a leading online game developer and operator in China, announced open beta testing for the Chinese expansion pack ("EP") "Edge of Night" for its flagship online game Eudemons Online today.

Eudemons Online was an immediate hit upon its release. The game has gained increasing popularity among both new players and veterans with diversified versions since 2010, reaching a new high in concurrent players among recent years. The fifth EP introduces a mysterious "Vampire" class to provide veterans with more options and also attract new players captivated by vampire lore. The new EP highlights a variety of exclusive skills, powerful weapons and featured pets for the Vampire class, which will collectively kick off a new era for online games. In addition, the English version of "Edge of Night" is expected to be released in July 2011.

"Edge of Night" is the result of two years' effort, and was designed to fully reflect players' expectation for the quality and content of the title. NetDragon expects that "Edge of Night" will inject fresh energy to this classic online game and help the title continue leading the Chinese developed fantasy MMORPG category.
