**NetDragon to Become Constituent Stock  
of Hang Seng Family of Indexes**

Hong Kong, 23 August 2013 – NetDragon Websoft Inc. (“NetDragon” or “the Company”; HKEx: 777) is pleased to announce that the Company has been selected as a constituent stock of the Hang Seng Composite Index (“HSCI”), effective 9 September 2013.

NetDragon’s inclusion in the HSI marks another significant milestone for NetDragon. NetDragon will be one of the constituents of Hang Seng Broad Consumption Index (“HSBCI”), Hang Seng Global Composite Index (“HSGCI”), Hang Seng Composite Index, Hang Seng Composite Industry Index – Information Technology and Hang Seng Composite SmallCap Index.

The selection of NetDragon by HSCI also demonstrates the investment community’s recognition of and confidence in the Group’s significant market capitalisation and adequate free float. Since April 2013, the Company’s market capitalisation has doubled to [HK\$ 9,345.6 million].

**Mr. Liu Dejian, Chairman and Executive Director of NetDragon**, said, “NetDragon is very pleased to be included as one of the constituent stocks of the Hang Seng Composite Index. To be acknowledged as one of the leading information technology stocks in Hong Kong and China is a testament to the scale and quality of our business and the innovative and creative spirit of our people, and also represents recognition of our strong market leading position as the leading online gaming and mobile internet player in the industry. We are grateful for the trust and continued support of our customers and shareholders “

###

**About NetDragon Websoft Inc.**

NetDragon Websoft Inc. (HKSE: 0777) is a leading innovator and creative force in the online gaming and mobile internet industries. Established in 1999, we are a vertically-integrated developer & operator of MMORPGs and a cutting-edge R&D powerhouse. We launched our first self-made online game Monster & Me in 2002, followed by multiple titles, including Eudemons Online, Conquer Online and Zero Online. We are also China’s pioneer in overseas expansion, directly operating titles in overseas markets since 2003 in English, Spanish, Arabic and other languages. NetDragon has a proven track record in incubating online gaming and mobile Internet projects over the years, including the no. 1 Chinese online game portal - 17173.com, and various well-known mobile Internet platforms such as 91 Assistant, HiMarket, 91 Launcher, 91 Panda Reader, sj.91.com and [www.hiapk.com](http://www.hiapk.com).
