About NetDragon

NetDragon Websoft Inc. (HKSE: 0777) is a leading innovator and creative force in China's mobile internet industries. Established in 1999, we are a vertically integrated, cutting-edge R&D powerhouse with a series of successful track record including building the No. 1 Chinese online gaming portal - 17173.com, being a pioneer in MMORPGs with our renowned self-developed flagship games such as Eudemons Online and Conquer Online gaining huge popularity amongst players, and creating China's most influential and most popular smartphone app store platforms under the 91 Wireless business unit, before disposing the business to Baidu in 2013 in a landmark transaction which to date is the largest internet M&A transaction in China. In addition, we are China's pioneer in overseas expansion, directly operating game titles in a broad number of countries since 2003 and in over 10 languages internationally. In recent years, we are also becoming a major player in the online and mobile education segment with the vision to leverage our mobile internet technologies and know-how to make learning more fun, motivational and effective compared to the traditional classroom learning model.
