Golden Hong Kong Stocks Awards is well-acknowledged by the market and it is reputed as a benchmark for assessing the most valuable and the most high growth potential listed companies. Participants were filtered, based on six criteria, including companies’ revenue growth, industry ranking, corporate governance, business model, market presence and performance in the capital market over the past year. A list of finalists was selected by online election, as well as a panel of professional institutions and industry experts including Chinese Securities Association of Hong Kong, experienced investors, and renowned economists. The award presentation ceremony

attracted 180 high-quality Hong Kong listed companies, of which more than 90% are Stock Connect (Southbound) companies, accounting for half of the current market capitalization of Hong Kong stocks. There were a total of 16 winners in this election. The competition was highly fierce.

NetDragon winning “Best Stock Connect (Southbound) Company of Golden Hong Kong Stocks Awards 2018” showcased that the Company’s prolonged dedication and outstanding performance in game and education businesses are highly acknowledged by the panel.
